Cash or Check #: \_\_\_\_\_  
(Circle One)

Vehicle Year: \_\_\_\_\_ Make: \_\_\_\_\_

Model: \_\_\_\_\_

Color: \_\_\_\_\_ License Plate #: \_\_\_\_\_

**RESERVED PARKING POLICIES**

Reserving and painting a parking space is a privilege of being a SENIOR. Failure to abide by these policies will result in revocation of parking privileges.

Parking space is reserved only on school days from 6:00 a.m. until 4:00 p.m.

The parking space artwork must be approved by the designated 2012 Project Celebration representative prior to painting. Please contact Kim Hiebert at 817/798-8398 or by email at [hiebertkim@aol.com](mailto:hiebertkim@aol.com). Painting will only take place on weekends when no vehicles are located in the parking spaces adjacent to the space the student intends to paint.

Students will provide their own paint and equipment. Suggested tools: broom, paint roller and pan, paint brushes, and painter's tape.

Only water-based latex paint can be used in the parking space art and paint must be in the original container with original label. No concrete paint will be permitted.

The entire parking space can be painted; however, no artwork will be permitted within 12" of the striping or numbering of the parking space.

The parking space artwork shall be in good taste. Ideas for artwork include, but are not limited to, school activities, school spirit, team number, special memories, and school clubs and organizations.

No inappropriate or negative words, slogans, symbols, or pictures will be allowed. All AISD policies and codes of conduct apply.

NO REFUNDS, partial or full, will be given. Fee is due upon receipt of this Application.

I, \_\_\_\_\_, promise to adhere to the above policies set forth by Project Celebration 2012. I also agree to follow and abide by all Texas State Traffic Laws and all AISD driving and parking rules and/or regulations. I understand that failure to comply with any of these laws, rules, or regulations may result in the temporary or permanent suspension of parking privileges on AISD property. I further understand that any vehicle without a valid AISD-issued parking sticker on any vehicle under suspension of parking privileges may be towed at my expense.
