You'll have the opportunity to learn about our organization, the great work we are doing in our community and how we, alongside many partners, are making a difference in families' lives.

- *Hear a Habitat homeowner's personal story about how owning their Habitat home has had a positive and lasting impact on their family.*
- *Learn more about our mission of building homes and hope in partnership with hard-working, low-income families.*
- *We promise two things – the **HABITOUR** will last less than one hour and we **DO NOT** ask for money. It is to inform and inspire!*
